

Pole hardware, drawn separately

Each part in its own tight viewBox, same two-tone convention and same scale as the full poles (12px pole width $\approx$ 0.6 m). Shown at 4 $\times$ and at true size.

Utility pole map markers

Five stages, each a standalone SVG. Anchor: pole base at $y=252$, $x=70$ ($x=30$ for the narrow pole-only file). Shown at full size and at 36px marker scale.
